

Everything's alright

Solista (Mary Magdalene)

Try not to get worried
 Try not to turn on to
 ▶ Problems that upset you
 Don't you know
 Everything's alright yes, everything's fine
 And we want you to sleep well tonight
 Let the world turn without you tonight
 If we try we'll get by so forget all about us tonight

Contralti + Uomini (Apostoles' women)

Everything's alright yes
 Everything's alright yes

Solista (Mary Magdalene)

Sleep and I shall soothe you
 Calm you and anoint you
 ▶ Myrrh for your hot forehead
 And then you'll feel
 Everything's alright yes, everything's fine
 And it's cool and the ointment's sweet
 For the fire in your head and feet
Solista + Soprani (2a voce)
 Close your eyes, close your eyes
 And relax, think of nothing tonight

Contralti + Uomini (Apostoles' women)

Everything's alright yes
 Everything's alright yes

Coro (Judas)

Woman your fine ointment
 Brand new and expensive
 Should have been saved for the poor
 Why has it been wasted
 We could have raised maybe
 Three hundred silver pieces or more
 People who are hungry
 People who are starving
 Matter more
 Than your feet
 And hair

Solista (Mary Magdalene)

Try not to get worried
 try not to turn on to

▶ Problems that upset you
 Don't you know

Contralti + Uomini (Apostoles' women)

Everything's alright yes
 Everything's alright yes

Coro (Judas)

Surely you're not saying
 We have the resources
 To save the poor from their lot?
 There will be poor always
 Pathetically struggling
 Look at the good things you've got!
 Think! While you still have me
 Move! While you still see me
 You'll be lost
 You'll be sorry
 When I'm gone

Soprani (Mary Magdalene)

Sleep and I shall soothe you
 Calm you and anoint you
 Myrrh for your hot forehead
 And then you'll feel
 Everything's alright yes, everything's fine
 And it's cool and the ointment's sweet
 For the fire in your head and feet
 Close your eyes, close your eyes
 And relax, think of nothing tonight
 Close your eyes, close your eyes and relax
 Close your eyes, close your eyes and relax
 Close your eyes...
