

I STILL HAVEN'T FOUND WHAT I'M LOOKING FOR

I have climbed (the) highest mountain
I have run through the fields
Only to be with you
Only to be with you

I have run, i have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing in her fingertips
It burning like fire

Burning hot like fire

This burning desire

Burning with desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night

In the night !

I was cold as a stone

Cold as stooooone

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I believe in the kingdom come
Then all the colors will bleed into one
Bleed into one
Well, yes, I'm still running
You broke the bonds and you

Broke the bonds !

Loosed the chains

Loosed the chains !

Carried cross

Carried cross !

Of my shame

Of my shaeem !

You know

Ooooooh

I believe it

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I have climbed

I have climbed !

The highest mountain

The highest mountain

I have run

I have run !

Through the fields

Through the fields !

Only to be with you

Only to be with you !

Only to be with you

Just to be with you !

I have run

I have run !

I have crawled

I have crawled !

I have scaled

I have scaled !

These city walls

City waaaaalls

These city walls

Only to be with you !

Only to be with you

Just to be with you !

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

finale

But I still haven't found what I'm..... looking for (a cappella)
